

MURDER ON CEMPEDAK

A MURDER MYSTERY WEEKEND

HOSTED BY PROFESSIONAL ACTORS FROM
EVOLVE SCHOOL OF PERFORMING ARTS

APRIL 11 - APRIL 13, 2025

All of Cempedak Island has been booked out for a weekend of celebrations... but on the first night, you receive chilling news: a murder has taken place. From dawn to dusk on Saturday, clues will appear in the most unexpected places, keeping you on edge as you piece together the puzzle of what happened.

Was it Jimmy with a toxic plant in the Spa? Or Jaslan with the telescope on Deadman's Beach? Perhaps it was you with a coconut in the Dodo Bar... who knows?

On Saturday evening, join fellow detectives for a communal dinner to debate, theorise, and unmask the culprit. But beware - the killer may be closer than you think. Throughout the weekend, you will also have time to sit back, relax and enjoy the island.
